### **The Mission**

SingOUT Cincy is a multi-generational, queer-centric singing organization dedicated to highlighting voices of the LGBTQIA+ community, bridging generational divides, and showcasing music by and for LGBTQIA+ individuals.

### **The Vision**

SingOUT Cincy dreams of a city where queer voices are heard and celebrated, where queer people and allies of all ages are able to lift each other up in song, and where audiences of all kinds gather in community to celebrate and honor queer voices.

### **About Us**

SingOUT Cincy was founded in June 2023 with the Inaugural SingOUT Cincy Festival Chorus at Christ Church Cathedral in the heart of downtown Cincinnati, Ohio. A collaborative effort between founders (and best friends) Angelo Sylvester and Lauren Albers, the inaugural festival came to fruition with less than two months' notice.

Turnout and support was so strong, SingOUT Cincy is now established as an entirely queer-led, registered 501(c)3 organization with a full season of robust programming dedicated to lifting LGBTQIA+ voices in song.
